

### Documentation of site security\_UAO paragraph 41

**Bath, Bill** to: Cami Grandinetti, Christy Brown, Dennis Faulk,  
Elizabeth Druback, Emerald Laija, Gilliam, Jessica,  
Goins, Doug, Harry Craig, John Eisenbeis, Lynden

09/25/2012 10:22 AM

We provided visual evidence of site security to EPA, as required by UAO paragraph 41, on September 12th. We agreed to back this up with photographic documentation. Due to its file size, the CD with the photo documentation is being shipped to a limited distribution list. Here is the

transmittal letter. BUR224 The Dalles Security.pdf
